

Baroness Neville-Rolfe – email response

Dear Sir/ Madam,

I think it is right that the BBC finds the cost of the over 75 concession. It was part of a generous overall package on licence renewal and the BBC can do much more to improve cost effectiveness. However, I have one proposal to reduce the impact - tax the value of the concession for over 75s and make a corresponding transfer to the BBC.

Kind regards

Lucy

Baroness Neville-Rolfe DBE CMG
