Dear Mr Hall

**NORTH AYRSHIRE COUNCIL MOTION
FREE TELEVISION LICENCE FOR OVER 75s**

At the meeting of North Ayrshire Council on 13 February 2019, Elected Member agreed the following motion: -

"North Ayrshire Council opposes any changes to the free television licence for over 75's and resolves that the Chief Executive write to the Secretary of State for Digital, Culture, Media and Sport and the Director-General of the BBC to outline our opposition."

I can confirm that I have also advised the Secretary of State for Digital, Culture, Media and Sport of this motion.

I trust this is helpful.

Yours sincerely

Craig Hatton
Chief Executive
