

Things to think about when you're creating your three sound effects:

What do you already know about the Krulius?

What's his role in the story?

What's his character like?

Watch a video to find out more about [sound effects](#)

A.

Toxic Breath

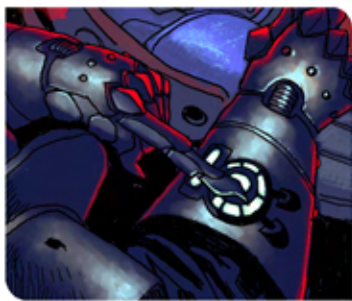

What do you know about the way he breathes?

How might it sound different when he's angry or moving?

B.

Digital Bio-Converter & Modem

How does the Krulius use this in the story?
What's it for?
What different noises might it make?

C.

Krulius' Movement

Think about how the Krulius might move.
What sounds might his clothes make?
How would his feet move across the floor?

There is more information about the Krulius on page 2 of this pack.
