

River Song's Diary Dust Jacket

Instructions: (Remember to ask a parent or guardian's permission before using scissors)

- Print the image onto a sheet of A4 paper.
 - If you are using A3 paper, print the image in the centre, but keep the image the same size as you'll find the space around the edges helpful later.
 - Using scissors, cut out the image to the required size for your book - it may be helpful to trace around your book before you start cutting.

- Remember to leave enough room at each end of the paper to tuck into and secure to your book.
 - Once cut out, fold the image around the outside of your book.

- If there's not enough paper at the edges to tuck into the book, you may need to use sticky tape but be careful as this could damage the book!
