

## Activity Sheet 1: Habitats

As you watch the film, write the name of any insects, birds and animals you see that share your spaces or do not share your spaces. If you're not sure – add the animal to the not sure column.

### *Shares my space*

*For example: cat*

### *Does not share my space*

*For example: polar bear*

### *Not sure*

*Write here any animals you are not familiar with.*
