

**Tom**

Hi! I'm Tom. It's the end of the day here in London so let's look at some ways we can really say goodbye to British people.

Bye! **See you in a bit!** **See you in a bit** means the same as 'see you later'. You could also say **in a bit!**

Bye! **Have a good one!** **Have a good one** means 'enjoy your free time'. I say it like this: **Have a good 'un.**

**Are you off?** **Are you off** means 'are you leaving?'

**Catch you later!** And, **catch you later** means 'see you later'.

Finally, when you are leaving, you can say **I'm going to shoot off!** Or, **I'm going to shoot!** And you can also say **I'm going to scoot** which has exactly the same meaning.

Now, **I'm going to scoot off**, so **see you in a bit.**
