---

Video class available from: <https://bbc.in/3afflsq>

### Language quiz

Now let's practise what you learned in the lesson! You need to put 'in', 'at' or 'on' into the gaps in the sentences.

Here's an example to help you:

I've been invited to a party \_\_\_\_\_ Friday.

*I've been invited to a party **on** Friday.*

1. Shakespeare was born \_\_\_\_\_ 1564.
2. I go for long walks in the countryside \_\_\_\_\_ the weekend.
3. My dad doesn't like driving \_\_\_\_\_ night.
4. I probably won't be in the office \_\_\_\_\_ Wednesday, but I will be \_\_\_\_\_ Thursday.
5. He's never \_\_\_\_\_ time, it's so annoying!
6. We arrived at the airport \_\_\_\_\_ 5.45am. It was just \_\_\_\_\_ time to make the flight at 6.45am!
7. \_\_\_\_\_ Friday night I went to bed \_\_\_\_\_ 11.30.
8. I'll be home \_\_\_\_\_ lunchtime.

Well done! Now you can check your answers at the bottom of the next page.

## Writing and speaking practice

Now practise writing and speaking with someone you live with.

Using 'in', 'at' or 'on', write down:

- a) An event that you were just in time for.
- b) What you usually do at the weekend.
- c) Something you are doing on Monday.
- d) A question for someone you live with about either a), b) or c).

For example:

- a) *I was just in time for my flight to Paris.*
- b) *I usually relax at home at the weekend.*
- c) *I'm teaching a class on Monday.*
- d) *What do you usually do at the weekend?*

Then tell each other what you have written for a, b, c and d above
