Tim

Welcome to Day 5. You've made it to the end of the week! Well done – it's time to download your certificate.

How was the Frankenstein listening task? Do you think you got the right order of events? You can check here:

- d) Victor uses chemistry, alchemy and electricity.
- c) The monster learns how to read and use language.
- b) Victor begins building a female monster.
- a) Victor discovers his bride has been murdered!
- e) The monster cries.

Tim's Tip

Listening to the same recording twice, with two different tasks, can help you to understand it better.

Tim's Day 5 task

For my final challenge, try listening to a programme twice – I won't tell you what it's about because that's the answer to the first question – but it's very interesting! Your first task is to get the general understanding of the video. Then listen again for more detail. Your questions:

1. What is the general subject of the video?
2. What is the name of the theatre mentioned in the video?
