

#### Individuals

1. Think of three actions that people do for you regularly.  
दिवसभरात दुसरे लोक तुमच्यासाठी काय काय कामे करतात याचा विचार करा.  
- *The bus driver checks my ticket.*
2. Tell your partner one sentence. Ask them to change it into a sentence using 'have/get something done'.  
तुमच्या जोडीदाराला एक वाक्य सांगा. 'Have/get something done'.  
चा योग्य वापर करून ते वाक्य पुन्हा लिहा.  
- *The bus driver checks my ticket. Can you change the sentence using 'have something done' or 'get something done'?*
3. Decide with your partner if his/her answer is correct. Then provide more detail about the sentence.  
-तुमच्या जोडीदाराचं उत्तर बरोबर आहे का? नंतर त्याला आणखी तपशील द्या.  
- *You get your ticket checked by the bus driver?*  
- *That's correct! I usually take the bus to work. How about you?*
4. Ask your partner to give you a sentence that needs changing in the same way. Repeat the above steps until you have spoken about all sentences.  
तुमच्या साथीदाराला Causative form मध्ये बदलता येईल असं वाक्य सांगा
5. Did you have any similar answers? Were there any surprising or interesting answers? Why? Discuss with your partner.  
तुमची उत्तर सारखी आहेत का? तुम्हाला काही रंजक उत्तर मिळाली? तुम्हाला असं का वाटलं?  
तुमच्या जोडीदाराबरोबर याची चर्चा करा.

#### Group activity

1. Choose a partner or work in a three. Repeat the first three stages of the individual activity.  
जोडीने किंवा तिघांनी मिळून यातल्या तिसऱ्या टप्प्यापर्यंतची कृती करा.
2. When you have decided on your correct sentences, mix with other individuals in the group. Ask them to share their sentences with you.  
तुमचं उत्तर मिळालं की सर्व गट एकत्र या आणि तुमची उत्तरे दुसऱ्यांच्या उत्तराशी पडताळून पाहा.
3. Can you find someone with the same sentence as you?  
तुमच्यासारखं उत्तर आणखी कोणी दिलं का?
4. When everyone has spoken, share your findings as a group.  
सर्वांचं सांगुन झाल्यावर तुमची निरीक्षणे नोंदवा.

5. Decide as a group:

- What was the most interesting or surprising information you discovered?
- What was the most common action people spoke about?

गटाने ठरवा:

- सर्वात रंजक किंवा आश्चर्यकारक गोष्ट कुठली वाटली?
- सर्वात सामायिक उत्तर कोणतं होतं?
