

Two people

1. In the popular legend of *Aladdin*, a genie offers three wishes to Aladdin. The genie promises that his wishes will come true. Imagine you are Aladdin. Think of three wishes that you want to come true. Do not show your partner.

अल्लाउद्दिन आणि जादूच्या दिव्याच्या गोष्टीत जिनी अल्लादिनच्या तीन इच्छा पूर्ण करण्याचं वचन देतो. समजा तुम्ही अल्लादिन आहात, तुम्ही जिनीकडे काय इच्छा व्यक्त करा? तुमच्या जोडीदाराला सांगू नका.

Wish 1:

Wish 2:

Wish 3:

2. Guess your partner's wishes. They will tell you if you are correct. Ask them why they chose this wish.

तुमच्या जोडीदाराच्या काय इच्छा काय असतील याचा अंदाज बांधा आणि नंतर त्यामागचं कारणही त्याला विचारा.

A: *I think your first wish is 'I wish...'*

B: *That's right! / No, actually, it's 'I wish...'*

3. Repeat stage 2. Your partner will now guess your wishes.

आता तुमच्या जोडीदाराला तुमच्या इच्छा काय असतील याचा अंदाज बांधायला सांगा.

4. Discuss the following questions together.

- Which was the most interesting wish. Why?
- Which was the most realistic wish. Why?
- Which was the least realistic wish. Why?
- Which wish would you most like to come true? Why?

हे प्रश्न एकमेकांना विचारा..

- यातली सगळ्यात मनोरंजक इच्छा कोणती वाटली तुम्हाला आणि का?
- यातली प्रत्यक्षात येऊ शकेल अशी इच्छा कोणती आहे आणि का?
- त्यातली पूर्ण होण्याची शक्यता कमी आहे अशी इच्छा कोणती आणि का?
कुठली इच्छा खरंच पूर्ण व्हावी असं तुम्हाला वाटतं?

Group activity

1. Repeat stages 1-3 of the pair activity with a partner.
 2. When you have finished, change partners.
 3. You can change partners as many times as you like.
 4. When you have finished speaking, discuss the questions from stage 4 as a group.
