

## Video Diary - Episode 1: Sherrie

Right, ok, it's 2 o'clock in the morning and I've just finished my murder story. Just to say that I've had a great couple of days and I've enjoyed every minute of it. I think it's quite hard work. No, I don't think it's quite hard work, I know it's quite hard work. But then, it was never going to be easy. Tomorrow one of us goes. Shall I say I wouldn't be surprised if it was me. But anyway, I've done what I can. I think if I stayed, I think I would probably learn so much. Mostly because I am really interested in what I'm doing, really excited about it and really willing to learn as much as possible, given this fantastic opportunity. Anyway, that's my video camera thing for tonight. If I get through again then I assume I'll be doing one tomorrow night. But if I don't, it's been great and I've had a fantastic time and good luck to the others. Ok, good night.
