

TRY THIS GCHQ CODE-BREAKER CHALLENGE

To coincide with Radio 4's [GCHQ: Minority Report](#) documentary, we asked GCHQ to set our listeners a code-cracking challenge. Here's what the Puzzle Masters came up with:

If Samuel transcribed what Louis wrote...

...and Louis wrote what Ludwik translated...

...and Ludwik translated what Tim said...

...then what did Tim say?

Here is Samuel's transcription:

IN AAAAIAN INAAANAIA IA IAINA AI AA IAIIA IAA AAIAAINN AA IAAANN IAINANI
NA ANNNNMA NAANIANMN NN ANNAN NN AM MNNNN ANI MAAINNIA AM NNAMIA NNAANIN
AM MMIAAMA MMIMAAMMA MM AMAAA MA AM AAAMA AAA MAMAAAAM AM AAIMMM MMMMAMA

CLUE: The key to unlocking the puzzle is identifying Samuel, Louis and Ludwik. There are links between them!

The answer will be revealed [here](#) on Tuesday 22 November
