Verse 1
While we live we learn, (while we live we learn,)
While we learn we grow, (while we learn we grow,)
And the more we grow, (and the more we grow,)

Then the readier we will be
For all life’s big adventures
And all life’s mysteries.

While we live we learn,
While we live we learn,
While we learn we grow,
And the more we grow,
So the more we know,
And the more we know,
And the more we know,
Then the more we know,
For all life’s big adventures
And all life’s mysteries.
Verse 1
It's not just a pile of old bricks,
Walls with a window or two.
It's not just a playground and bench,
Something for children to do.
It's not just a bundle of books,
There on a shelf in a row.
It's not just a shiny clean hall,
Somewhere for children to go.

Chorus
This is my school, your school,
Somewhere that we love to be.
My school, your school,
Our school together.

Verse 2
It's not just a box full of games,
There for a rainy wet day.
It's not just a shaker and drum,
Something for children to play.
It's not just a load of grown-ups,
Not just the learning and fun.
It's not just the children in class,
Everything blends into one.

Chorus
This is my school, your school,
Somewhere that we love to be.
My school, your school,
Our school together,
Our school together!

Song 6. Laughing in the playground

Verse 1
Laughing in the playground, breathing in the air,
Feel the wind a-blowing, messing up our hair,
Time to play the games that we love to play,
Time to talk to friends and hear what they have to say.
It’s good to be a part of a bigger family,
Good to be at school
And to feel that we can be
A friend to everyone,
And that means you and me,
A special child of God in his special family!

Song 8. Being a friend

Verse 1
Being a friend is the best thing you can be,
‘Cos in the end friends are something we all need.
You could score a goal for England,
Be a pop star on TV,
But being a friend
Is still the best thing you can ever be.

Verse 2
Being a friend is the best thing you can do,
Time and again it’s our friends that help us through.
You could be a millionaire,
Or fly a rocket to the moon,
But being a friend
Is still the best thing you can ever do.

Chorus
Whatever we grow up to be,
And live in harmony,
Together we all need to see
That friendship is the key!

Verse 3
