BBC School Radio website

bbc.co.uk/schoolradio

This year the School Radio website will have a brand new look! It's your one-stop-shop for all School Radio resources, including:

-  online Teacher's Notes which are simple (and free) to print or download
-  links to School Radio podcasts for downloading the resources
-  ordering information for School Radio CDs including the order form
-  additional information about programmes including photographs, transcripts and links to other resources
-  a comprehensive audio on demand service for all programmes

The School Radio website also offers a range of audio resources that can be accessed at any time. These include:

History – World War 2 Audio Clips Library

← bbc.co.uk/schoolradio/history/worldwar2audioclipslibrary.shtml

The collection of audio clips supporting study of the home front during World War 2 has recently been updated to include video. It's an ideal resource for sharing audio with arresting focus images via your Interactive White Board.

Early Learning – Stimulus Sounds Library

← bbc.co.uk/schoolradio/earlylearning/stimulusoundslibrary.shtml

Here you'll find a library of 200 plus sound effects. They have been arranged by popular themes – e.g. 'weather', 'animals', 'jobs'. They are intended as a stimulus for you to use as you wish.

Music Workshop – Heroes of Troy

← bbc.co.uk/schools/troy/index.shtml

This website brings a dramatic series from **Music Workshop** to the web. **Heroes of Troy** offers seven songs to learn, linking to the story of the Trojan War. The website includes Teacher's Notes, words and music for all the songs, backing tracks...and your vocal coach David Grant is on hand to teach all of the songs!

Teacher's Notes

Teacher's Notes to support programmes are available from the School Radio website. They can be accessed from either the individual programme pages or from the Teacher's Notes section at: **bbc.co.uk/schoolradio/teachersnotes/**

As well as Notes for the current year you will find an archive of previous publications dating back to 2005 – useful when searching for Notes to accompany a series transmitted in a previous year.

Resources provided by BBC Active

Publications and other resources to support some Music series are available from BBC Active. These should be ordered using a separate order form from BBC Active. For further information contact:

BBC Active Customer Services,
PO Box 88, Harlow CM20 2JE
Tel: 0870 830 8000 (Mon to Fri 0830 to 1730)
Fax: 0870 830 8002

Email: bbcactive.schools@pearson.com
Website: www.bbcactive.com/schoolshop

Please note that supporting resources for the Music series broadcast in 2010/2011 will be available from the School Radio website.

School Radio programmes in mp3 format on DVD

You can also order a complete term of programmes in mp3 format on a single DVD.

Providing the output in mp3 file format:

- ④ takes account of changing ICT provision in schools
- ④ enables schools to integrate School Radio audio into multi-media learning
- ④ allows greater flexibility and portability – for example, by transferring the programmes to an mp3 player, which can then be attached to a hi-fi in the normal way
- ④ enables schools to explore a wider range of the audio resources on offer
