

This is the way we lay the bricks

This is the way we lay the bricks  
To make the walls strong and thick  
This is the way we lay the bricks  
All day long.

This is the way we saw the wood  
Strong and good, strong and good  
This is the way we saw the wood  
All day long.

This is the way we hammer a nail  
Hammer a nail, hammer a nail  
This is the way we hammer a nail  
All day long.

This is the way we clean the glass  
We clean the glass, very fast.  
This is the way we clean the glass  
All day long.  
All day long!
