

Single Player Gaming

Software: Minecraft - Latest available version
Platform: Windows XP/Vista/7/8 and 10 or Mac OS X (10.5+)

Step 1 - Click 'Singleplayer'.

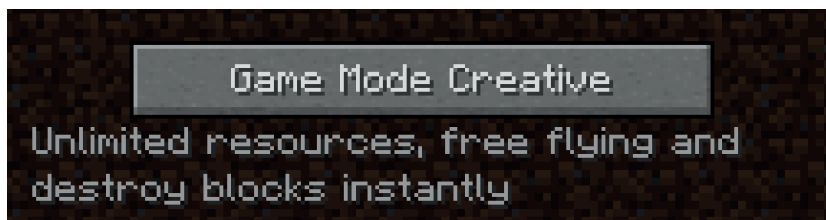

Step 2 - Click the 'Create New World' option.

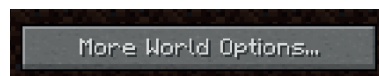

Step 3 - Give your Minecraft world a name.

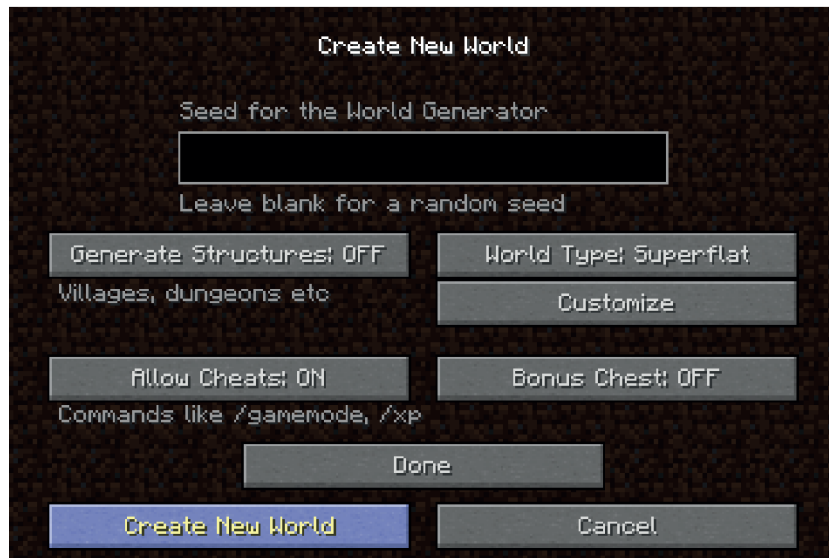

Step 4 - Click the 'Game Mode' button below until it says 'Creative'.

Step 5 - Click 'More World Options'.

Step 6 - Make sure your settings are set to the following:

Step 7 – Click 'Create New World'.

You will now start in a single player world and are ready to play Minecraft and begin creating your 'Build It Scotland' structure. See our '[Minecraft - Playing Minecraft](#)' resource for tips on how to do this.
