

Get ready for..

THE BIG PAINTING CHALLENGE

LIVE LESSON

The Live Lesson will run for 45 minutes from **11am** on **Wednesday 25th February** 2015. To see the live stream you will need to visit our webpage and follow the links to the Live Lesson.

The theme of the lesson will be drawing characters and portraits, with a focus on the illustration style of Nick Sharratt - the illustrator of Tracey Beaker! CBBC presenters Michelle Ackerley and Ricky Martin will host the session welcoming a very special guest and live studio audience.

During the lesson, students will get the chance to draw along with Nick and be encouraged to send in pictures of their drawings. We'll try to display as many of the works as we can in the studio.

To get the most out of the live lesson please make sure every student has a sketchbook and a pencil or black felt drawing pen and if you want to send in questions and pictures you have a camera or smartphone with access to the internet available.

If you or your students have questions for Nick, Michelle or Ricky please send them in to the address below, either now or during the Live Lesson! Please include school and student name/s with each question.
