

#### **Episode 9: Lessons In Love**

Daisy: Don't worry about a little thing like that! You two **go back** for years!

Is Daisy right? Will Amanda and Johnny stay together?!?! Go to episode 10 to find out!

### **Go back**

**Meaning:** If you **go back** (for) years with someone, it means that you have known them for a very long time.

**Grammar:** This phrasal verb is usually followed by a time expression. The verb and particle can sometimes be separated by an adverb/adverbial phrase.

Luis and Michal go back a really long time

~~Luis and Michal go a really long time back~~

They go back a long way

They go a long way back

They go way back

**Example sentence:** You might think that Yuki and Miho are just co-workers in the office, but actually they go back for years...

**Synonyms:** know well, have a long history (with), have a long acquaintance (with)
