

Episode 11: What Happened?

Jackie: Bob! Are you alright? Bob! Come on Bob, **sit up!** What happened?

Is Bob going to be alright? Find out in the final Episode of Bob and Jackie's Chemistry Project!

Sit up – sat up – sat up

Meaning: If you **sit up**, you move from a lying or other position into a sitting position.

Grammar: This phrasal verb may or may not have an object. If there is an object, it *must* go between the verb and particle.

Jane sat up
Jane sat the baby up
Jane sat him up

~~Jane sat up the baby~~
~~Jane sat up him~~

Example sentence: Yuki was lying on the sofa watching TV. She sat up suddenly when she heard a loud knock at the door.
