

#### Episode 7: Losing Patience

Jackie: Bob, I'm not going to **put up with** your behaviour any more. Stop being stupid and start helping me!!!

Will the experiment ever get started? Come back for episode 8 of Bob and Jackie's Chemistry Project

### Put up with - put up with - put up with

**Meaning:** If you **put up with** something, you patiently accept or tolerate something unpleasant.

This phrasal verb needs an object. The verb and particles are not usually separated.

Janie put up with the terrible weather  
Janie put up with it

~~Janie put up the terrible weather with~~  
~~Janie put the terrible weather up with~~  
~~Janie put it up with~~  
~~Janie put up it with~~

**Example sentence:** Holly put up with her colleague's rude comments for months before she finally complained to the boss about him.

**Synonyms:** tolerate, bear, endure, stand, suffer, swallow, submit to
