

#### Episode 1: Betty's angry

Betty: Fred, I **found out about** you and that other girl. How could you do this to me?!

Has Fred really got another lady? Surely not!!!  
Go to episode 2 to find out!

#### Find out about

**Meaning:** if you **find out about** something, you discover a fact or information that you did not know before, often because someone was keeping it secret.

**Grammar:** This phrasal verb needs an object. You can not separate the verb from its particles.

He found out about the theft

He found out about it

~~He found the theft out about~~

~~He found it out about~~

~~He found out the theft about~~

~~He found out it about~~

**Example sentence:** Jonathan didn't **find out about** the missing money until the police wrote to him.

**Synonyms:** discover, catch on to, detect, unearth
