---

Jackie: Listen to this conversation. How many suggestions are there?

### Clip

- Where shall we go on holiday this year?
- Why don't we take a train down to the seaside for the weekend? Or we could borrow my dad's car.
- Let's stay in that great hotel in Brighton.
- Or maybe we should do something more exciting. Why not go camping?

Jackie: There were five suggestions in that clip:

**Why don't we** take a train? ... **we could** borrow my dad's car ... **Let's** stay in that great hotel ... **maybe we should** do something more exciting ... **Why not** go camping?
