Callum: I (1) ___________________ sometimes, just like most kids. But then I usually (2) ___________________ in the end!

Vicki: Well, yes, if you want to succeed you have to start doing your work sometime!

Callum: So, I (3) ___________________ and I’m glad to say I (4) ___________________ all my exams.

Vicki: Well done you! So in the end, you started working, and even though it was hard, you managed to pass your exams, so then what did you do?

Callum: Well I (5) ___________________ university.

Vicki: So after school, you continued your education at university – just like me.
