

*I thought this homework would be as easy as pie.*

*First, I have set off to write the script.*

*Second, I used computer to create voice version of the homework.*

*Finally, I put the two together into an email.*

*By the time I was done I was completely pie-eyed!*

*Nevertheless, as far as using computer goes, I can proudly say that I have finger in many pies. I am very curious how The Teacher will react to computer spoken homework.*
