

### **The Story**

And over in the US, Kanye West has officially launched his campaign to run for president. He cried onstage about abortion, but said it should stay legal. Some think it's all a publicity stunt, though. And we don't know if he'll get enough support to actually get on the voting papers.

### **Vocabulary**

#### **launches a bid**

starts an attempt to achieve something

- NASA has launched a bid to put the first human on Mars.
- Our rivals have launched a takeover bid.
