Now let’s practise what you learned in this lesson!

Choose the correct word from the brackets to complete the sentences.

Here’s an example: You need (to remember/remembering) your bag.

1. I'll never forget (to go/going) on a plane for the first time.

2. I remember (to feel/feeling) so happy that day.

3. Don't forget (to lock/locking) the doors!

4. I'm going to go on (to do/doing) this until someone stops me!

5. I want to go on (to study/studying) this at a higher level.

6. I want to stop (to drive/driving) so much – I need to cycle more.

7. We have to stop (to buy/buying) petrol – we're nearly on empty.

Well done! Now you can check your answers at the bottom of the next page.
**Writing practice**

Write answers to these questions. Remember to use -ing forms and infinitives correctly.

1. What do you remember doing when you were younger? Is there anything that you'll never forget? Is there anything that you regret?

2. Is there something that you want to go on to do in your career or your life? What things do you think you need to go on doing? What things do you think you should stop doing? Is there something you should stop to try something new?

Here's an example:

*I want to go on to study something creative. I need to stop working long hours. I should stop to think about what I really want to do. Otherwise I'm going to go on doing the same things all the time.*
