**Speaking and writing practice**

Imagine you are a famous person (you can choose a real or imaginary person) and are about to be interviewed for a magazine article. These are some of the questions you may be asked in the interview, so you need to prepare your answers.

- What are you most afraid of?
- Who are you grateful to for helping you achieve your fame and fortune?
- What are you fed up with at the moment?
- What are you really good at?
- What are you most worried about right now?
- What are you interested in doing in the future?
- What are you addicted to?

Pay attention to the prepositions you use and what comes after each preposition (noun, gerund, pronoun).
When you have finished, find a friend and take it in turns to interview each other using the questions.
