Language quiz
Now let’s practise what you learned in this lesson! Choose the correct word from the brackets to complete the sentences.

Here’s an example:

1. I can't help. You're in (too much/too many) trouble.
2. I can't help. I’ve got (not enough/too many) things to do.
3. I want to make pizza, but there (aren't enough/are too many) tomatoes.
4. There’s (too much/too many) snow to get anywhere!
5. My children have (too many/too much) energy – I can’t keep up!
6. I'm not swimming in the river – there are (too much/too many) fish.

Well done! Now you can check your answers at the bottom of the next page.
Speaking and writing practice
Make a list of things you don't want to do, or places that you don't want to go to.

Take your list and write a sentence saying why you don't want to do each thing, or go to each place using too much, too many or not enough.

Here's an example:

Go shopping in central London.
I don't want to go shopping in central London, because there are too many people, and there is not enough time to get everything I want.
