**Writing & speaking practice**
Choose a picture that you like that shows lots of different things.

Write some sentences about what you can see in the picture. Remember to use the correct prepositions of place.

a) Is anything in a space or in another object?
b) Can you see anything on a surface?
c) Is something at a specific location in the picture?

Here’s an example:
*At the top of the picture, you can see the sea through the window.*
*There’s a lamp on the table.*
*In the box, you can see all my old books.*

Now, work with a friend and describe what you can see in the picture and where different things are.
