

Primary History

Worksheet: Home Life

There's only room in the Anderson shelter for you to have a small cardboard box for your things.
You never know how long an air raid might last.

What would you want to have in your box?

Think about:

- what time of year is it? (Will you be warm/dry?)
- food to snack on (Remember rationing restrictions)
- games/toys suitable for a small space (Were your favourite toys around in World War 2? What sort of toys did children play with?)

You'll find clues to help you on the Children in World War 2 website.

Write or draw the things that you'd put in your box. Write on the back of this sheet why you chose each one.

...and wait for the All Clear siren!
